# Student Earned Income Exclusion (SEIE)

- Allows portions of student's gross income to be excluded when figuring out the Supplemental Security Income (SSI) cash benefit amount.
- SEIE decreases the amount of countable earned income allowing students to keep more of their SSI check when working.
- Decreases fears for both students and family and students when they try working.

## To Qualify:

- Under the age of 22
- Getting SSI due to their disability
- Regularly attending school
