## **Governor Doyle Announces Disaster Unemployment for Manitowoc County Workers Affected by Severe Weather**

MADISON – Governor Jim Doyle announced today that individuals in Manitowoc County affected by the recent severe storms and floods that began on June 5, 2008 are eligible to apply for Disaster Unemployment Assistance (DUA) from the Federal Emergency Management Agency (FEMA).

Manitowoc County is in addition to 28 counties the Governor announced Disaster Unemployment Assistance for last week: Adams, Calumet, Columbia, Crawford, Dane, Dodge, Fond du Lac, Grant, Green, Green Lake, Iowa, Jefferson, Juneau, Kenosha, La Crosse, Marquette, Milwaukee, Ozaukee, Racine, Richland, Rock, Sauk, Sheboygan, Vernon, Washington, Walworth, Waukesha, and Winnebago counties. DUA benefits are available to unemployed workers who worked or were self employed if they:

- worked or were self employed, or were scheduled to begin work or self employment, in one of the affected counties; or were unable to reach their job because they must travel through the affected area;
- can no longer work or perform services because of physical damage to the place of employment as a direct result of the disaster;
- establish the work or self employment they can no longer perform was their primary source of income;
- do not qualify for regular unemployment insurance benefits from any state;
- cannot perform work or self employment because of an injury or because they were incapacitated as a direct result of the disaster;
- became the breadwinner or major household support because of the death of the head of the household;
- cannot work or perform self employment due to closure of a facility by the federal government; or
- lost a majority of income or revenue because the employer or self employment business was damaged, destroyed, or closed by the federal government.

DUA benefits are not payable if an individual is eligible for regular unemployment insurance benefits. This program provides benefits for those who lost employment because of the disaster and do not qualify for regular benefits. Suffering a monetary loss due to damage to property or crops does not automatically entitle an individual to Disaster Unemployment Assistance.

Benefits are based on a person's earnings for the most recent tax year. As a result, applicants will be asked to furnish earnings data from their 2007 federal tax returns when filing a claim. The benefit can range from \$134 to \$355 per week. The first potential week payable for DUA benefits is the week of June 8 through June 14, 2008.

Affected workers in Manitowoc County must apply by July 30. The deadlines for other counties are as follows:

- July 16 for Columbia, Crawford, Racine, Richland, Milwaukee, Sauk, and Vernon;
- July 19 for Dodge, Fond du Lac, Green, Iowa, Marquette, Washington, Waukesha, and Winnebago;
- July 20 for Grant, Kenosha, Rock and Sheboygan;
- July 23 for Dane, Juneau and Ozaukee; and
- July 25 for Adams, Calumet, Green Lake, Jefferson, La Crosse and Walworth.

Applications can be filed by calling the Unemployment Insurance Division in Madison at (608) 232-0678, in Milwaukee at (414) 438-7700, or toll-free at 1-800-822-5246. A special (TTY) number for the hearing impaired is also available at 1-888-393-8914.
