

**\$25,000 THRESHOLD
FOR §§66.0903 & 103.49, Wis. Stats.**

The new \$25,000 prevailing wage threshold for projects of public works under §66.0903, Wis. Stats., for local governmental unit projects and §103.49, Wis. Stats., for state of Wisconsin agency projects will be applied in the following manner.

For projects which are subject to bidding, the department will apply the threshold amount of \$25,000 to projects for which a request for bids is issued after January 1, 2010.

For projects whose contracts are negotiated, the department shall apply the threshold amount of \$25,000 to projects for which an agreement is made after January 1, 2010, as shown by a signed contract or other evidence of an agreement.
