Our TSM "Hands On" Industry Recognized Training Model offers a condensed, accelerated and intense **5 to 6week training session**. With our most recent WIOA Credentialed Curriculum Train Skills Management will be listed on the public search engine for Certified Training options in the State of WI. It is our plan to expand into Tribal Communities across the Nation as well as broaden our scope into Minnesota, North & South Dakota and beyond. Our current training model is Industry Recognized and Certified in the Federal Credentialed WIOA program which is reviewed and accepted by the State of WI. With the most recent ITA account number Train Skills Management, LLC Training Model is listed right alongside of the Regional Technical Schools and beyond. Our program is now approved as a Federal Third Party Education Provider and our training meets the requirements to allow future participants the option to obtain State, Federal and Private Sponsorship and Scholarship funding.

Our current regional partner SOFTEC Education, Inc is a 501c3 Organization started in July 1, 2017 and located in Burnett County, WI serving a multitude of neighboring Counties and Communities as well as Tribal Nations.
