The Institute may, at its discretion, refuse transfer students if its admission requirements cannot be met. Transfer hours are accepted on an individual basis. The transfer student may be required to take a proficiency/practical exam to determine student's placement in the program and/or the distribution of hours earned by subject. It is the iLash & Aesthetics Pro Institute sole discretion to accept whatever hours the student has provided through documentation. If the Institute agrees to credit the transfer student's hours, it will shorten the length of that student's course of study.

Tuition is prorated based on the remaining hours needed to complete the program at iLash & Aesthetics Pro Institute and hours are based on acquired knowledge in comparison to iLash & Aesthetics Pro Institute curriculum. There may be an additional cost for necessary materials or items needed to complete the course of study. Transfer hours that are accepted are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Re-entry students

Students who may have dropped out or been dismissed from school may request re-entry. The student must meet all past financial commitments to the Institution. In addition, a letter of intent should be written to the school detailing why students want to continue their studies. Financial Aid

Scholarships

Incoming and current students admitted into a certain program of study may be eligible for a scholarship from iLash & Aesthetics Pro Institute. iLash & Aesthetics Pro Institute establishes criteria for awarding funds. When iLash & Aesthetics Pro Institute offers a scholarship, any eligible candidate who meets the criteria can apply.

Grants

Only in exceptional situations can iLash & Aesthetics Pro Institute give institutional subsidies, which are granted at the discretion of the Financial Services office with final approval from the Chief Financial Officer. The entry costs at iLash & Aesthetics Pro Institute are not waived.

Federal Grant Programs - Not Applicable Yet

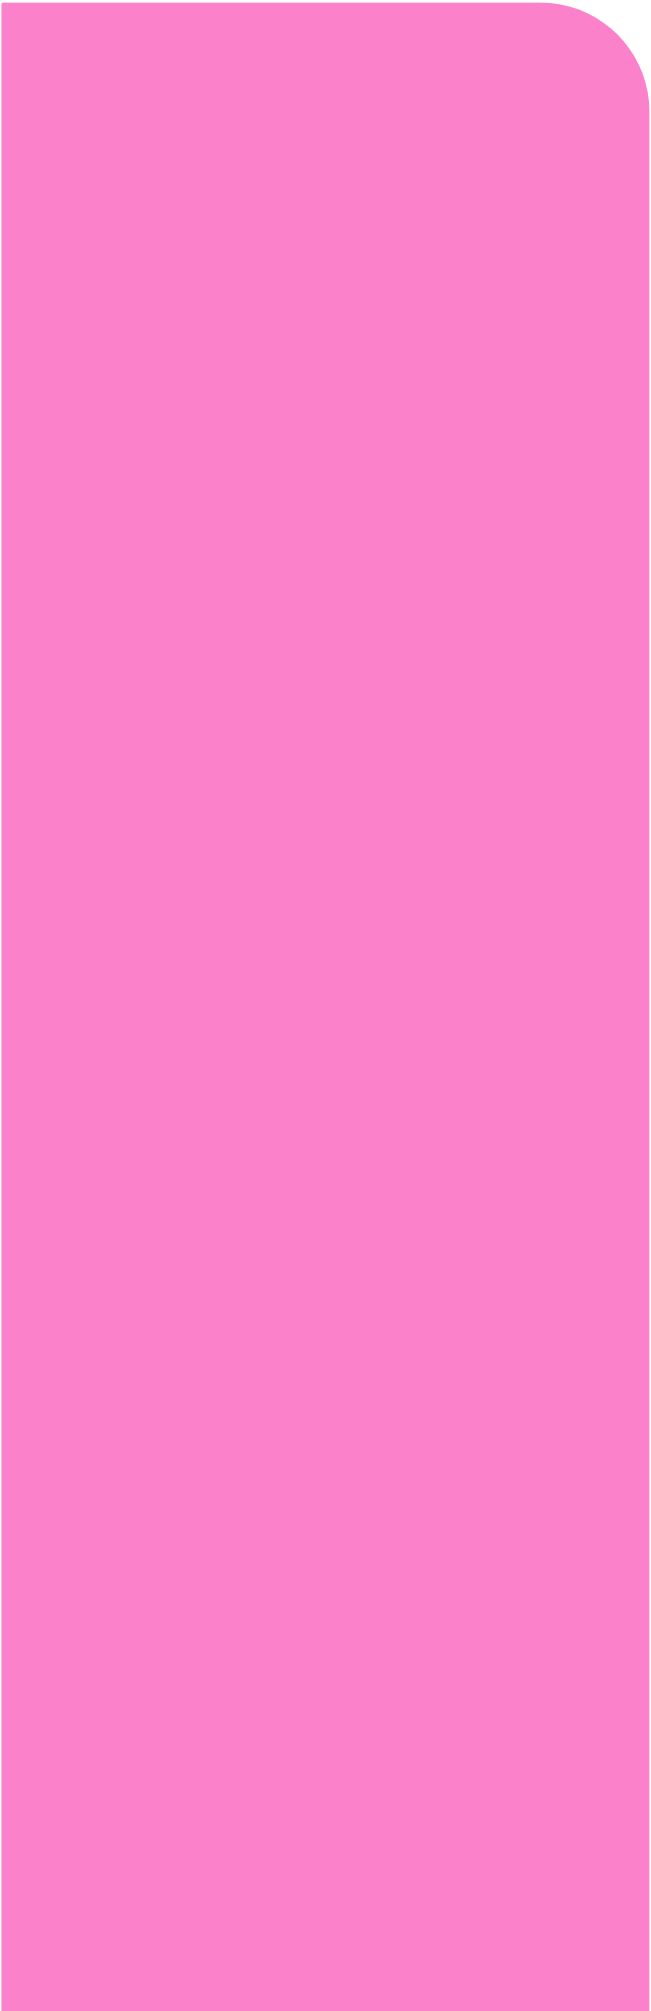

Federal Student Financial Aid Programs

You must fill out a Free Application for Federal Student Financial Aid (FAFSA) form to see whether you are eligible for any of the following Federal Student Financial Aid Programs. You can submit your FAFSA electronically at www.fafsa.ed.gov or get a print copy from the Financial Services department or your Enrollment Representative. Payment intervals of 1-300 hours and 301-600 hours are used to distribute funds.

Federal Pell Grant

Unlike a loan, a Federal Pell Grant does not require repayment if the program is completed. Only undergraduate students without a bachelor's or professional degree are eligible for Pell Grants (some degree programs are not considered professional for financial aid purposes).

The information you give on your FAFSA form is evaluated using a methodology set by the U.S. Congress to determine eligibility. The algorithm generates an Expected Family Contribution (EFC) number, which is used to determine if you are qualified and, if so, what amount you can receive.

Federal Supplemental Education Opportunity Grant (FSEOG)

An FSEOG is for undergraduates with outstanding financial needs, defined as individuals with the least Family Contribution (EFC), and gives Federal Pell Grant recipients preference. If the program is completed, an FSEOG does not need to be repaid. There is no assurance that every qualifying student will get an FSEOG; students are given FSEOGs at their respective schools based on the finances available. (Awards of financial help are subject to change.)

Financial Aid Programs Coming 2024

Financial Aid Programs information has been provided to describe iLash & Aesthetics Pro Institute programs and should not be applied to programs at other institutions.

Licenses expire every two years in the "odd" year. Your license will be honored anywhere in the state you examined and successfully passed and through the reciprocity act in many states. You are responsible for these amounts. If you get a student loan, you are responsible for repaying the loan amount plus any interest, less the amount of any determined refund.

School Rules

If you cannot attend a school or be late, you must call (414) 635-4300 by 10:00 am. It would help if you clocked in on your timecard before 10:00 am; we begin our class at 10:00 am. You must attend theory to be given credit. You may not be on the clinic floor during theory unless the Instructor permits you.

No cell phones and NO texting are allowed on the clinic floor. NO EXCEPTIONS. If you need to make a call, please step outside. EMERGENCY CALLS ONLY with the Instructor's approval.

Disciplinary Actions:

First offense -verbal warning

Second offense -written warning, and we will clock you out for the day

Third offense -suspension for a day.

If you take a break of more than 15 minutes, you must clock out; if you are not seen on school premises for more than 10 minutes and are not clocked out, you will automatically be clocked out by instructor/school official and written up.

When not busy, all students are expected to clean their stations, sweep floors, and share towels/laundry duties.

PLEASE TAKE THE INITIATIVE ON whatever needs to be done and when asked by an instructor or school official.

Only school overhead music or instructor-approved music is allowed to be played.

Only students and paying customers are allowed on school premises. If friends or family visit, they will be met out in the reception lobby area or outside the school or elsewhere. **NOT ON THE SCHOOL TRAINING FLOOR OR CLASSROOMS. YOU MUST CLOCK OUT IF THE VISIT IS MORE THAN 10 MINUTES.**

PLEASE DO NOT USE PROFANITY OR VULGAR LANGUAGE ON THE FLOOR; if a school official or Instructor overhears you using non-appropriate language, you will be getting a warning. This school is open to the public, and we must be professional to the public and among ourselves.

It would be best to respect every staff member, not use profanity or vulgar language to your Instructors or gossip behind their backs; it will result in disciplinary action.

SMOKING OR USING ILLICIT DRUGS DRINKING ALCOHOL ARE PROHIBITED; IF CAUGHT, YOU WILL GET A SUSPENSION FOR ONE WEEK

- NO sleeveless, tank tops, see-through or cropped tops, no midriff or underarms exposed.
- No opened toed shoes; no sandals or flip flops (prohibited on clinic floor)

Tardiness

Clients do not want to be kept waiting. Thus punctuality is a must in this sector. The first tardy in any given month will receive a verbal warning; the second tardy will receive a written warning; the third tardy will receive probation, and each consecutive tardy will receive a one-day suspension. Suspensions are considered as a missed class. A student's Satisfactory Progress may be jeopardized, and financial aid may be lost due to accumulated absences. Termination may occur if Satisfactory Progress is not met. Please phone the school to let them know you're running late if at all feasible. Late students must report to the School Administrator.

Missing days

Students must report an absence before their planned start time, or even within 30 mins of their scheduled time, whichever comes first. Suspension may be imposed if an absence is not reported. You do not need to phone in if your absence is pre-excused.

When you return after a leave of absence, you must complete a Time Off Application Form. This document must be submitted to the school administration with any doctor's or dentist's excuse. You must complete a Time Off Application Form and submit it to the school administration for approval if you ask for time off for a half-day, full-day, or many days. For example, if a student is on probation in attendance and requests time off, the application may be refused.

Any doctor's medical reasons, court hearings, social service agency visits, and so on must be accompanied by a Time Off Request Form and submitted to the school administration to be filed in the student's file. Absences on Saturdays must be pre-approved.

For a pre-excused absence, students must offer one week's notice. For a pre-excused absence, clinic students must offer two (2) weeks' notice. Please visit the school administration or administrative assistant if you have an emergency that requires a day off.

Students who are missing on two days regularly may risk suspension or termination.

Students who are absent for three consecutive days at school and have not turned in to report their absence to the school authorities, or students who are absent for fourteen (14) continuous calendar days, shall have their enrollment canceled or terminated. In this situation, you will get a letter from the school indicating that the school has not heard from you and that you have been dismissed. At this stage, the student must contact the school administration as soon as possible to submit the relevant papers.

Sanitation

For the sake of personal and patron safety, students are responsible for keeping their stations and equipment clean. Therefore, both during each customer service, sanitation must be used. Before and after each client and while exiting the toilet, students must wash their hands. Sanitation inspections will be carried out regularly.

Emergencies

In the case of an emergency (fire, bomb threat, tornado, etc.), the school will promptly contact the local police/fire department for help. If an emergency scenario arises, students, employees, and customers must:

1. Evacuate the building as soon as possible in a safe and orderly manner.
2. Assist any consumers that require assistance.
3. Make your way to the furthest corners of the parking lot.
4. DO NOT TRY TO GET YOUR ITEMS. GET OUT OF HERE.
5. DO NOT attempt to re-enter the building unless staff member or fire/police personnel has permission.

The school may perform fire drills from time to time. However, according to standard protocols, everyone must evacuate the building during a fire practice.

REMEMBER TO BE CALM, COURTEOUS, AND LISTEN TO INSTRUCTIONS IN AN EMERGENCY SITUATION.

BREAKS ARE AS FOLLOWS

- Take 30 minutes for lunch off the clock if you are a full-time student; if you don't clock out for your lunch and are a full-time student, the administration will deduct your lunch automatically unless you have approval from the Instructor. The Instructor will assign breaks and lunches. You will receive 15-minute breaks throughout the day as prescribed by the Instructor.

Students must get permission from an instructor before going on a break, clocking out for lunch, or leaving early for the day.

To receive student services, students must obtain approval from the Instructor. In addition, we need to schedule your services to make sure there is no conflict with clients' appointments.

All students must respect that they will be booked with clients on the appointment book. Under no circumstances may you refuse or transfer a client unless you have instructor approval due to other reasons. You must also be aware that other students might be absent on any given day; therefore, there are booking changes that the clinic floor Instructor must make. Refusing a client will be written up, clocked out, and sent home for the day. Students are expected to be ready to perform client services by 10:30 am. Therefore, they must have all their tools and implements available and sanitized.

Part of your training includes front desk training, and this is an important part of your training it will help to build your communication skills, telephone and appointment protocol and procedures, interacting with others in a salon environment, understanding product knowledge, pricing, stocking, and display, general public relations and much more. In addition, you may work on your mannequin and or book assignments in the desk area for additional credits.

Clean-up assignments are part of students' daily routine related to their station clean-up duties from the school's clean-up list. Each student will be given a cleaning assignment daily and be responsible for cleaning their station and chair.

WITHDRAWAL AND ATTENDANCE

If a student wishes to withdraw from the Institution or a course of instruction, they must explain why they are withdrawing. The withdrawal must be sent to the iLash & Aesthetics Pro Institute, **230 WEST WELLS STREET SUITE 214, MILWAUKEE WI 53203**. You have the right to withdraw from a course of instruction at any time with a written notice of withdrawal made to the address of the school shown on the first page of this agreement. Be advised that the school may also make a constructive withdrawal of a student.

Students must maintain successful attendance.

Students will be expected to arrive no less than ten minutes before starting a class. If a student is late, it will be the Instructor's prerogative about whether the student may participate in the class. Students will be expected to register their time by clocking in and out using a time clock at the beginning of a class, for a 30-minute lunch break, and at the end of the class. Students clocking in after their scheduled start time or taking longer than a 30-minute lunch break will have 15 minutes deducted from their hours for every minute missed after each quarter-hour. In addition, students must call the school a minimum of 15 minutes before a scheduled start time and notify the school of each day of absence. Failure to abide by this requirement will result in a no-show or absence for the day. Students who have three or more unexcused absences in one month will receive a written warning notice and may be withdrawn depending on prior absences and their attendance percentage. Three or more written warnings will qualify a student for discharge. Students who have three or more no-shows or absences or miss two or more Saturdays during their training will be dismissed without a doctor's note. During basic training (6 weeks for Esthetician three absences of any kind may result in discharge.

PROBATION AND DISMISSAL

iLash & Aesthetics Pro Institute reserves the right to suspend or terminate any student whose conduct is deemed inappropriate and disruptive to instruction. Students will be expected to fully observe policies and rules of conduct of iLash & Aesthetics Pro Institute A and all requirements of the W.I. Board of Barbering and Cosmetology. Such conduct includes excessive absences or tardiness; failure to maintain satisfactory progress; inappropriate behavior toward another student or staff member; failure to abide by school rules and regulations; failure to meet financial obligations; any other conduct deemed sufficiently disruptive of instruction so that, in the estimation of the Instructor, Associate Director, and Director, continued instruction is not a reasonable or constructive proposition.

Students suspended or terminated may request reinstatement in writing to the Director after thirty days. Decisions on reinstatement will be at the sole discretion of iLash & Aesthetics Pro Institute.
