Dear Wisconsin Department of Workforce Development,

I am writing on behalf of gener8tor Management, LLC in full support of their ability to join the state of Wisconsin's Eligible Training Provider List. We employ someone who graduated from gener8tor Skill's Project Management program, and that person subsequently got a promotion and raise. Based on this positive experience, we have the desire to hire future graduates of the gener8tor Skills accelerator programs.

Should you have any further questions, please feel free to contact me at 414-712-5702 or tyson@wantable.com.

Thank you,

Tyson A. Ciepluch
Chief Operations Officer
