

BACHELOR OF SOCIAL WORK

USE YOUR GOD-GIVEN GIFTS TO HELP OTHERS

Do you have a heart for service and social justice? We need people like you; people with zeal and compassion, who want to make a difference in the world. Our students uphold the Social Work Profession's six core values: service, social justice, dignity and worth of the person, importance of human relationships, integrity, and competence. This is an opportunity to use your God-given gifts to serve God and the world, and find fulfillment in your career.

As the demand for social workers continues to increase, learn how to advance your career today to help those in need. Also, students who graduate from CUW with a BSW can apply for advanced standing in our Master of Social Work program.
