Dear Wisconsin Department of Workforce Development,

I am writing on behalf of Microsoft to express our full support for gener8tor Management, LLC and their inclusion on the State of Wisconsin's Eligible Training Provider list.

We have had a positive experience with the gener8tor Skills program and are impressed by the quality and relevance of the training they provide. We support the following programs:

- IT Support/Help Desk
- IT Admin
- IT Fundamentals
- Data Analytics
- Project Management

These programs align well with the evolving needs of today's workforce and equip participants with in-demand skills that are critical to our industry. Should you have any questions or require additional information, please feel free to contact me at 920.205.9726 or michelle.schuler@microsoft.com.

Sincerely,

Michelle Schuler
