

Third-Party User Instructions

A user who posts jobs for multiple employers can request to use one login, username and password. After approval by Bureau of Job Service, you will access and use the system as described in this document. (Examples included are not real companies.)

1. Go to the [Job Center of Wisconsin website](#) and log in using the primary account you established for your company. You will see the **Employer Profiles** field with a drop-down menu of the companies you are approved to represent.
2. Click on the company name you want to work with.

3. The company you selected is shown in the **Employer Profiles** drop-down menu and a message is displayed at the top of the screen to show which company you are working with. Select the **My Company Information** button.
