Re: WARN Act Notice – Reduction in Workforce at Manitowoc Cranes **Cancelled**

Dear Mayor Mlada and Wisconsin DWD:

By way of letter, dated December 17, 2015, we advised of our intent to permanently close the Manitowoc Cranes manufacturing facility located at 1190 Mineral Springs Dr. Port Washington, WI 53074. This plant closure was expected to affect approximately eighty (80) employees. The separations of employment were to take place in stages commencing on June 2, 2016 and continuing through August 1, 2016. These layoffs were expected to be permanent.

Please be advised that we have made the decision to keep open this facility and, therefore, are cancelling these reductions. Written notice of the decision to keep open this facility has been transmitted to all affected employees.

Should you have any questions, the name and phone number of the company official(s) to contact for further information is: Linda Barthels at (262) 268-4418 or linda.barthels@manitowoc.com or Patti Denk at (920) 683-6224 or patti.denk@manitowoc.com.
