Re: Eaton Watertown, Wisconsin Facility Product Line Transfer Update

Dear Sir/Madam:

Pursuant to the Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 et seq., and Wis. Stat. § 109.07, in April, 2014, Eaton first informed employees at its facility located at 901 South 12th Street, Watertown, Wisconsin, that its Printed Circuit Board (PCB) operations at this location would be permanently consolidated into an existing Eaton facility in Tijuana, Mexico. Based on business conditions, we have had to revise the positions that will be impacted by this consolidation. The purpose of this letter is to provide you with an updated Attachment A.

As previously stated, we anticipate completing the transfer by April 30, 2016.

If you have further questions, you may contact me at 920.262.6145.

Sincerely,

Julia Tetelboim
HR Manager

cc: Honorable John David – Mayor of Watertown
106 Jones Street
Watertown, WI 53094

James Schroeder
County Board Chairperson
Jefferson County
311 South Center Avenue
Jefferson, WI 53549-1701

**ATTACHMENT A
TO
AGREEMENT AND GENERAL RELEASE**

- (A) The decisional unit is all employees in the United States who are assigned to the Watertown WI plant.
- (B) All Printed Circuit Boards (PCB) and support employees are eligible for the program. The total number of eligible people is 117 and the total number of people being terminated is 93. All persons who are being terminated in the separation program are selected for the program.
- (C) All persons who are being offered consideration under the Agreement and General Release must sign and return the Agreement and General Release to the location Human Resources Department within 45 days after receiving it. Once the signed waiver has been returned, the employee has 7 days to revoke the Agreement and General Release.

The following is a listing of the ages and job titles of persons in the Employee group who were and were not selected for termination and the Agreement and General Release:
