Department of Work Force Development
Dislocated Worker Unit,
P.O. Box 7972,
Madison, WI 53707

Dislocated Worker Unit:

The purpose of this letter is to provide you, on a voluntary basis, with information that would be required in accordance with Wisconsin's Business Closing and Mass Layoff (WBCML) Law if the WBCML were applicable to the planned permanent relocation and closure of Ameridrives International LLC's Ameridrives Power Transmissions operations located in 1680 Cornell Rd, Green Bay, WI 54313 which is scheduled to be completed by November 30, 2016. The planned action is expected to be permanent and the site will be closed. It is expected that a small sales office will remain in the Green Bay area.

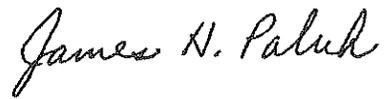

This action will affect 37 employees with the following titles.

Titles	Number in Position
Accountant	1
Assembler	2
Buyer	1
Designer	1
EDM/Balancing Spec	1
Lead	3
Machinist	13
Maintenance	2
Plant Controller	1
Quality Engineer	1
Repair/Assembly	2
Scheduler/Planner	2
Ship Receiving	2
Supervisor	1
Value Stream Leader	2
Welder/Assembly	1
General Manager	1
	37

At this time, we anticipate the first separation will occur on or about August 2, 2016 with additional separations occurring every month through the expected completion of the facility closure in November 2016. .

If you have any questions concerning this matter, please do not hesitate to contact me at the number below.

Sincerely,

A handwritten signature in cursive script that reads "James H. Paluh".
