

## Disability Rights Wisconsin (DRW) to Manage the Wisconsin Client Assistant Program (CAP)

Effective September 30, 2021, Disability Rights Wisconsin (DRW) will manage the Client Assistance Program (CAP). They are able to assist people with disabilities applying for services or already receiving services from the Division of Vocational Rehabilitation, the Independent Living Centers, or the Native American Vocational Rehabilitation Project.

CAP was formerly managed by the Department of Agriculture, Trade and Consumer Protection (DATCP). Now operated by DRW, CAP will continue to serve people with disabilities and assist them with advice and information about benefits and services available under the Rehabilitation Act of 1973, as amended by the Workforce Innovation and Opportunities Act (WIOA), and Title I of the Americans with Disabilities Act.

Individuals seeking CAP assistance may call 1-800-362-1290 or visit DRW's website at <https://disabilityrightswi.org/how-to-get-help/>
