

Certification of Readiness for Hearing and Request to Schedule a Hearing or Settlement Conference

Certification of Readiness by the applicant's representative is required before scheduling will begin. Failing to submit the Certification of Readiness may ultimately result in dismissal of the Application for Hearing.

Explanation:

- Submission of a Certification of Readiness (COR) by the applicant's representative is verification that the matter is ready for hearing or settlement conference. It is intended to allow for scheduling without the risk that the applicant will request an adjournment.
- The COR also is intended to encourage settlement discussions, resulting in earlier case resolution without the necessity of a scheduled hearing.

General Instructions:

- A copy of both pages of the COR, along with all supporting documentation must be sent to the insurer or self-insured employer or their attorney at the time it is filed with the Worker's Compensation Division (WCD).
- Do not submit a COR if the applicant believes that it may be necessary to implead additional parties.
- Do not submit a COR unless the WKC-16B or alternative medical report was previously submitted or it is included with the COR.
- The WCD will try to schedule the hearing at a location no more than 100 miles from the address of the employee or the employer unless the employee indicates a willingness to travel farther.
- In addition to the dates of unavailability for the attorney provided on this form, the attorney should continue to notify the WCD's calendar section of any future dates of unavailability.

Please note the following general guidelines for scheduling hearings:

- No postponements will be granted except under extraordinary circumstances. Difficulty in gathering medical proof **IS NOT** an extraordinary circumstance.
- Issues in addition to those listed on the COR form may be heard at the scheduled event if the notice and filing requirements in Wis. Stat. ch. 102 and Wis. Admin. Code ch. 80 are met or by stipulation of the parties.
- Unless waived by the parties, statutory filing deadlines apply. The applicant's representative is required to file all medical and vocational proof prior to submitting the Certification of Readiness.
- If the status or nature of the claim changes after the COR is filed and the employee is no longer ready to proceed, the applicant's representative must immediately notify the WCD in order to prevent scheduling of a hearing or settlement conference.

Insurer or self-insured employer instructions for objecting to the COR:

Any objection to the COR must be noted at the bottom of this form, filed with the WCD and a copy sent to the applicant's attorney, within 15 days of receipt of the COR. The specific reasons for the objection must be clearly stated, along with the additional time requested.
