Find the Job

Once you've found the occupation that's right for you, Skill Explorer helps you find all the latest job openings Wisconsin has to offer.

Skill Explorer is free and available anytime. If you're looking for new opportunities, go to skillexplorer.wisconsin.gov and discover the new Wisconsin job search today!

Using Skill Explorer

Skill Explorer makes it easy to look for new career opportunities. You only need a working knowledge of your employment history. To get started, go to skillexplorer.wisconsin.gov and type in your current or past job.

Skill Explorer will match the title with other jobs that share common abilities and characteristics.

Explore Matches & Compare Skills

Skill Explorer doesn't just show you a list of current openings. It also helps you succeed by giving you all the information you need to make smart career choices. You can see new opportunities that relate to your work experience and learn about any special skills or training you might need before you apply for a job. The higher the percentage of shared skills, the closer the match.

Occupation overviews give you an insider's look at the career path you select. Find out what a worker usually does, how much they make, and what kind of training or educational background they have.
